

The Central Region Mental Health and Addiction Workforce Development Strategy Group

“Supporting the learning needs of the mental health and addiction sector”

Central Region Workforce Development Forum

Mental Health and Addiction in Older Persons (including Dementia) Forum

The forum includes a variety of speakers and two workshops.

Programme details to follow.

The purpose of the forum is to:

- enable information sharing on national and regional initiatives
- inform central region workforce development planning for those working with Older Persons

Tuesday 1st December 2009
Palmerston North Convention Centre
9.15am–3.15pm

Cost: Free—registration essential. To register [click here](#).

You may be eligible for funding assistance towards travel costs.
