Kia ora,

The free COVID-19 vaccination is ready for health and disability workers

Please share this email with your health and disability workforce who haven't yet had their COVID-19 vaccine. They are eligible to be vaccinated now.

If you don't know where to go to get your vaccine please have a look at this [website](#). You can see the accessibility and transport options for each Vaccination Centre. You also have the option to be vaccinated at some GPs and pharmacies- find out which ones [here](#). If you want to book at a GP or pharmacy you need to contact them directly.

You can use this invitation to book the free vaccination.

1. Click on this [link](#) and it will take you to a booking page
2. Complete the details on the booking page to register for your appointment
3. Select a date, time and location that suits you for your first and second doses
4. You'll get a confirmation text and email

If you need help with your booking or have questions about the vaccine and vaccination process please follow the [link](#), or phone the COVID Vaccination Healthline on 0800 28 29 26 between 8:00am - 8:00pm, 7 days.

You can find out more about the vaccine and how it protects you and your community [here](#). There are some links to videos in several languages which you may find helpful [here](#).

Thank you for helping to protect your whānau, aiga, community and the country from COVID-19. The more people who are vaccinated, the greater our protection as a community.

Kind regards,

Katie Daniel
