The Bay of Plenty District Health Board

The District Health Board's fundamental purpose is to work within the resources allocated to it, to improve, promote and protect the health of the whole population within its district, and to promote the independence of people with disabilities.

Vision: Healthy, thriving communities.

Mission: Enabling communities to achieve

Our Values: Compassion, All-one-team, Responsive, Excellence

The Bay of Plenty District Health Board (BOPDHB) is committed to the Treaty of Waitangi principles of Partnership, Participation and Protection, and to meaningful engagement in decision-making with Tangata Whenua at strategic, operational and service levels.

Delivering this commitment is through: the implementation of our He Pou Oranga Tangata Whenua Determinants of Health framework: respect for and promotion of our Kawa and Tikanga Māori; ensuring cultural safety; seeking to eliminate disparities in health between Māori and Non Māori.

All staff have a part to play in this commitment.

Primary Purpose

To provide accessible and responsive specialist secondary Mental Health and Addiction Services for the BOP community that is culturally appropriate and inclusive. This position description includes the Seven Real Skills as identified by Te Pou's Let's get Real framework as well as the focus areas of the MH&AS Business Plan (2010-2011).

Mental Health & Addiction Services is committed to the provision of safe and accountable acute response services and dynamic ongoing care delivery. Interventions are predicated on robust assessment and collaborative planning using a holistic approach and authentic therapeutic engagement with the client and his/her family.

Service Objective

- To provide a specialist alcohol and other drug outpatient based assessment and treatment service to individuals with an identifiable or suspected DSM IV Substance-related disorder (moderate to severe use)

Interventions

The Addiction Clinician offers a range of harm reduction specialist interventions which will include-

- specialist comprehensive assessments

You agree to demonstrate flexibility and a willingness to perform a variety of tasks to promote and support BOPDHB initiatives.

You are required to meet the Health and Safety at Work Act 2015 requirements as set out in the BOPDHB Health and Safety policies and protocols. This includes completing successfully any health and safety training provided by the BOPDHB.

You are required to maintain a standard of health which will allow for the performance of all duties and functions of the position. All BOPDHB sites are smokefree environments.

Health Practitioners Competence Assurance Act 2003

1. You are required to maintain your current competency based practicing certificate.
2. You must notify your Manager of any changes to scope or conditions on practice (determined by Regulatory Authority).
3. You must complete the requirements of any competency programme.
4. You must notify your employer of concerns relating to the risk of harm to the public of another health practitioner practicing below the required standard of competence.
5. Know the provisions of the HPCAA as the governing legislation.

Vulnerable Children Act 2014

Due to this position having contact with children and the BOPDHB's commitment to child protection, you will be subject to 'safety checks' under the Vulnerable Children Act at the time of hire and thereafter as per the relevant legislation.

Position Holders Declaration

I certify that I have read, understand, and agree to this position description.

Name:

Signature:

Date:

**Attitudes and behaviours
We want to see**

**Outcome
Everyone we come into
contact with will feel...**

**Attitudes and behaviours
We don't want to see**

C Compassion

Cares about other people. Has empathy and understanding. Is calm and reassuring. Protects people's dignity.

Treats everyone with respect regardless of their views, role or background. Value differences. Culturally competent.

Notices, acknowledges and appreciates people's efforts and achievements, gives praise, making people feel valued.

Cared for and respected

**Treated with respect
and cultural sensitivity**

Valued and engaged

Is rude, bullies, intimidates or humiliates. Creates anxiety. Doesn't act if someone's dignity is suffering.

Disrespectful, judgmental, makes assumptions about people. Gossips or talks behind people's backs. Rough behaviour.

Criticises people's efforts, takes people for granted, makes people feel undervalued, belittled or inadequate.

A All-one-team

Shares knowledge and information openly and honestly, clearly explains and updates people on what's happening.

Takes time to listen to others, is interested in their views. Invites people to ask questions and share concerns or ideas.

Involves patients, whānau and colleagues as equal partners. Builds teams and relationships to achieve the best outcomes.

Clear about what's happening

Listened to

Involved in a partnership model

Withholds knowledge and information, leaves people confused or in the dark.

Doesn't listen, talks over people, dismisses or puts people down, makes decisions without consultation.

Doesn't trust or involve people in things that affect them. Excludes, overrides, micro manages.

R Responsive

Friendly, polite, approachable, warm. Introduces themselves. Creates a happy environment. Smiles when appropriate.

Shows kindness. Is attentive to people's needs, supportive, helpful and willing. Often goes the extra mile for people.

Respects people's time. Plans ahead and co-operates so things run smoothly. Looks for efficient ways of doing things.

Positively welcomed

**Supported, so they would want
to be cared for or work here**

**We are flexible and efficient,
and use resources wisely**

Ignores people, snappy or aggressive tone of voice or behaviours, 'rushing' and saying "I'm too busy".

Passes the buck, says "it's not my job", unsupportive, does not take responsibility and leaves work for others.

Often late. Leaves people waiting unnecessarily or puts people under pressure with unrealistic timeframes.

E Excellence

Chooses to take a positive, will-do attitude. Looks for solutions. Uses positive words and actions to good effect.

Aims for the best results, always learning, developing skills, knowledge, and ways of doing things, and helping others to.

Consistently follows agreed, safe, best-practice.

Seeks, welcomes and gives constructive feedback, speaks up when they have a concern, coaches others' behaviour.

**Part of a positive culture
of high achievement**

Things are always improving

Safe

**We are role models who
are open to feedback**

A negative attitude, often moaning, complaining or grumpy. Focuses on problems.

Assumes they know best, resists change, not interested in learning or developing. Happy with 'good enough'.

Inconsistent, cuts corners, closed to new evidence.

Blames. Closed to feedback. By not speaking up about poor behaviour or unsafe practice they condone it.
