

POSITION DESCRIPTION

Sept 2016

This Position Description is a guide and will vary from time to time and between services and/or units to meet changing service needs

The Canterbury & West Coast District Health Boards are committed to the principles of the Treaty of Waitangi and the overarching objectives of the New Zealand health and disability strategies.

Organisational Vision

The CDHB's vision is to improve the health and wellbeing of the people living in Canterbury.

Organisational Values

- Care & respect for others
 - Integrity in all we do
- Responsibility for outcomes

POSITION TITLE:

REGISTERED NURSE

REPORTS TO (Title):

Charge Nurse Manager, Clinical Nurse Manager, Nurse Consultant, Clinical Nurse Specialist, Clinical Team Coordinator, Duty Nurse Manager

ACCOUNTABLE TO:

Director of Nursing

SCOPE OF PRACTICE

The Registered Nurse (RN) will utilise nursing knowledge and complex nursing judgement to assess health needs and provide care, and to advise and support people to manage their health. The RN practises independently and in collaboration with other health professionals, performs general nursing functions and delegates to and directs Enrolled Nurses, Health Care Assistants and others. The RN also provides comprehensive nursing assessments to develop, implement, and evaluate an integrated plan of health care, and provide nursing interventions that require substantial scientific, technology and professional knowledge and skills and decision making. This occurs in a range of settings in partnership with individuals, families, whanau and communities. The RN may practise in a variety of clinical contexts depending on the nurse's educational preparation and practice experience. The RN also uses this expertise to manage, teach evaluate and research nursing practice.

RNs are accountable for ensuring all health services they provide are consistent with their education and assessed competence, meet the legislative requirements and are supported by appropriate standards. There will be conditions placed in the scope of practice of some RNs according to qualifications and experience limiting them to specific areas of practice.
