

Supporting a stronger workforce

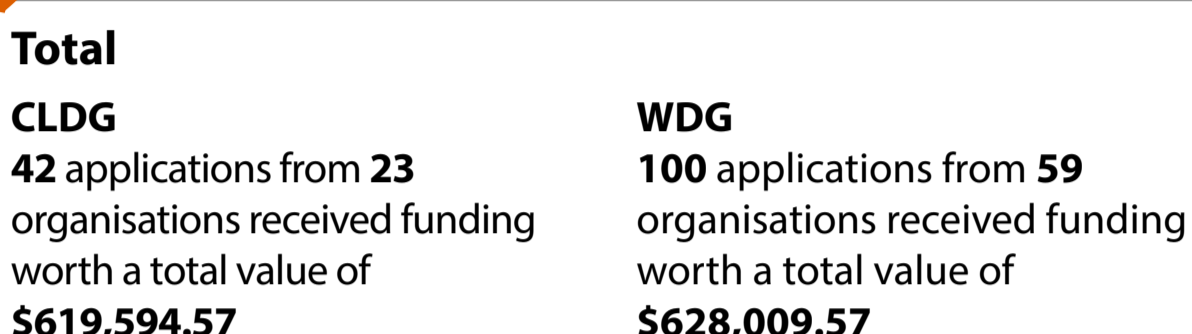

2017 summary of funded disability grants

In 2017, 142 applications from 60 organisations across New Zealand received a consumer leadership development grant (CLDG) or workforce development grant (WDG) from Te Pou.

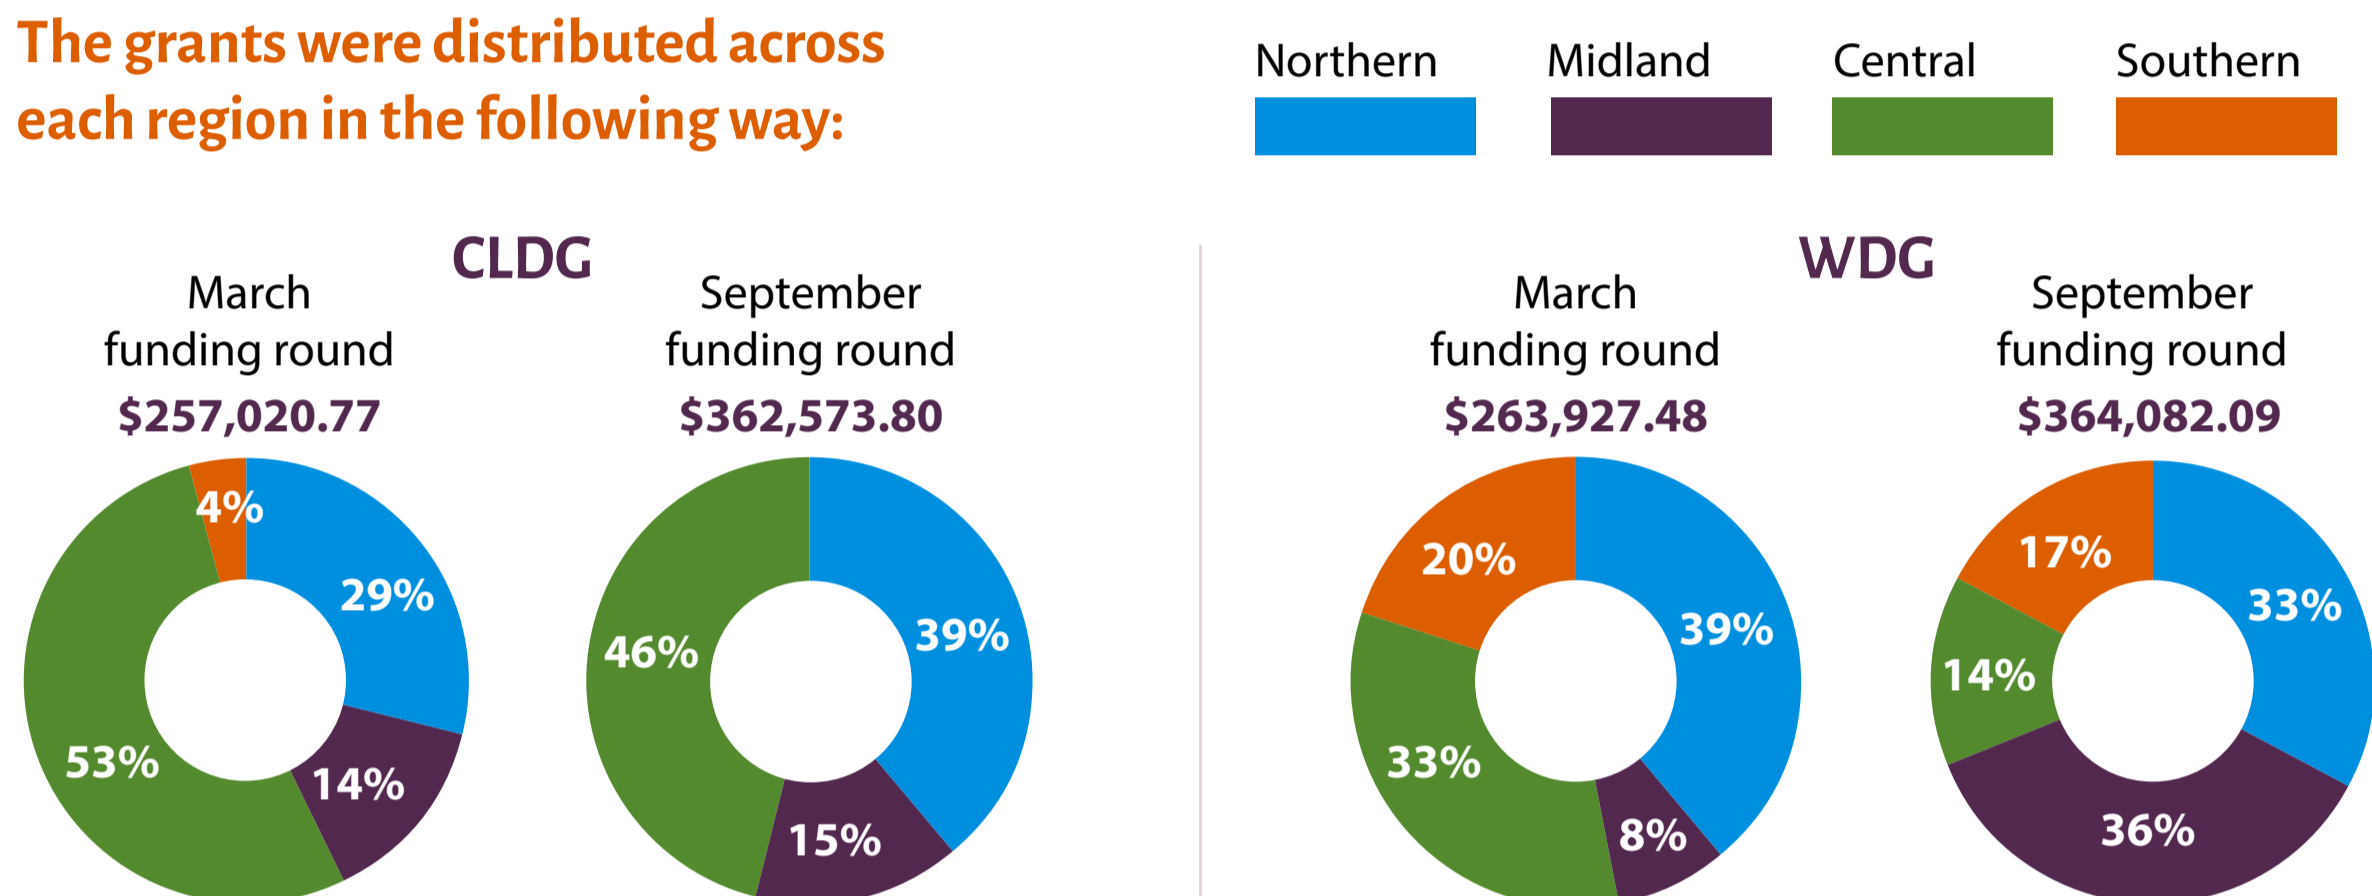

Two rounds of funding were held for each grant: one in March and one in September. Both grants were oversubscribed in each round of funding.

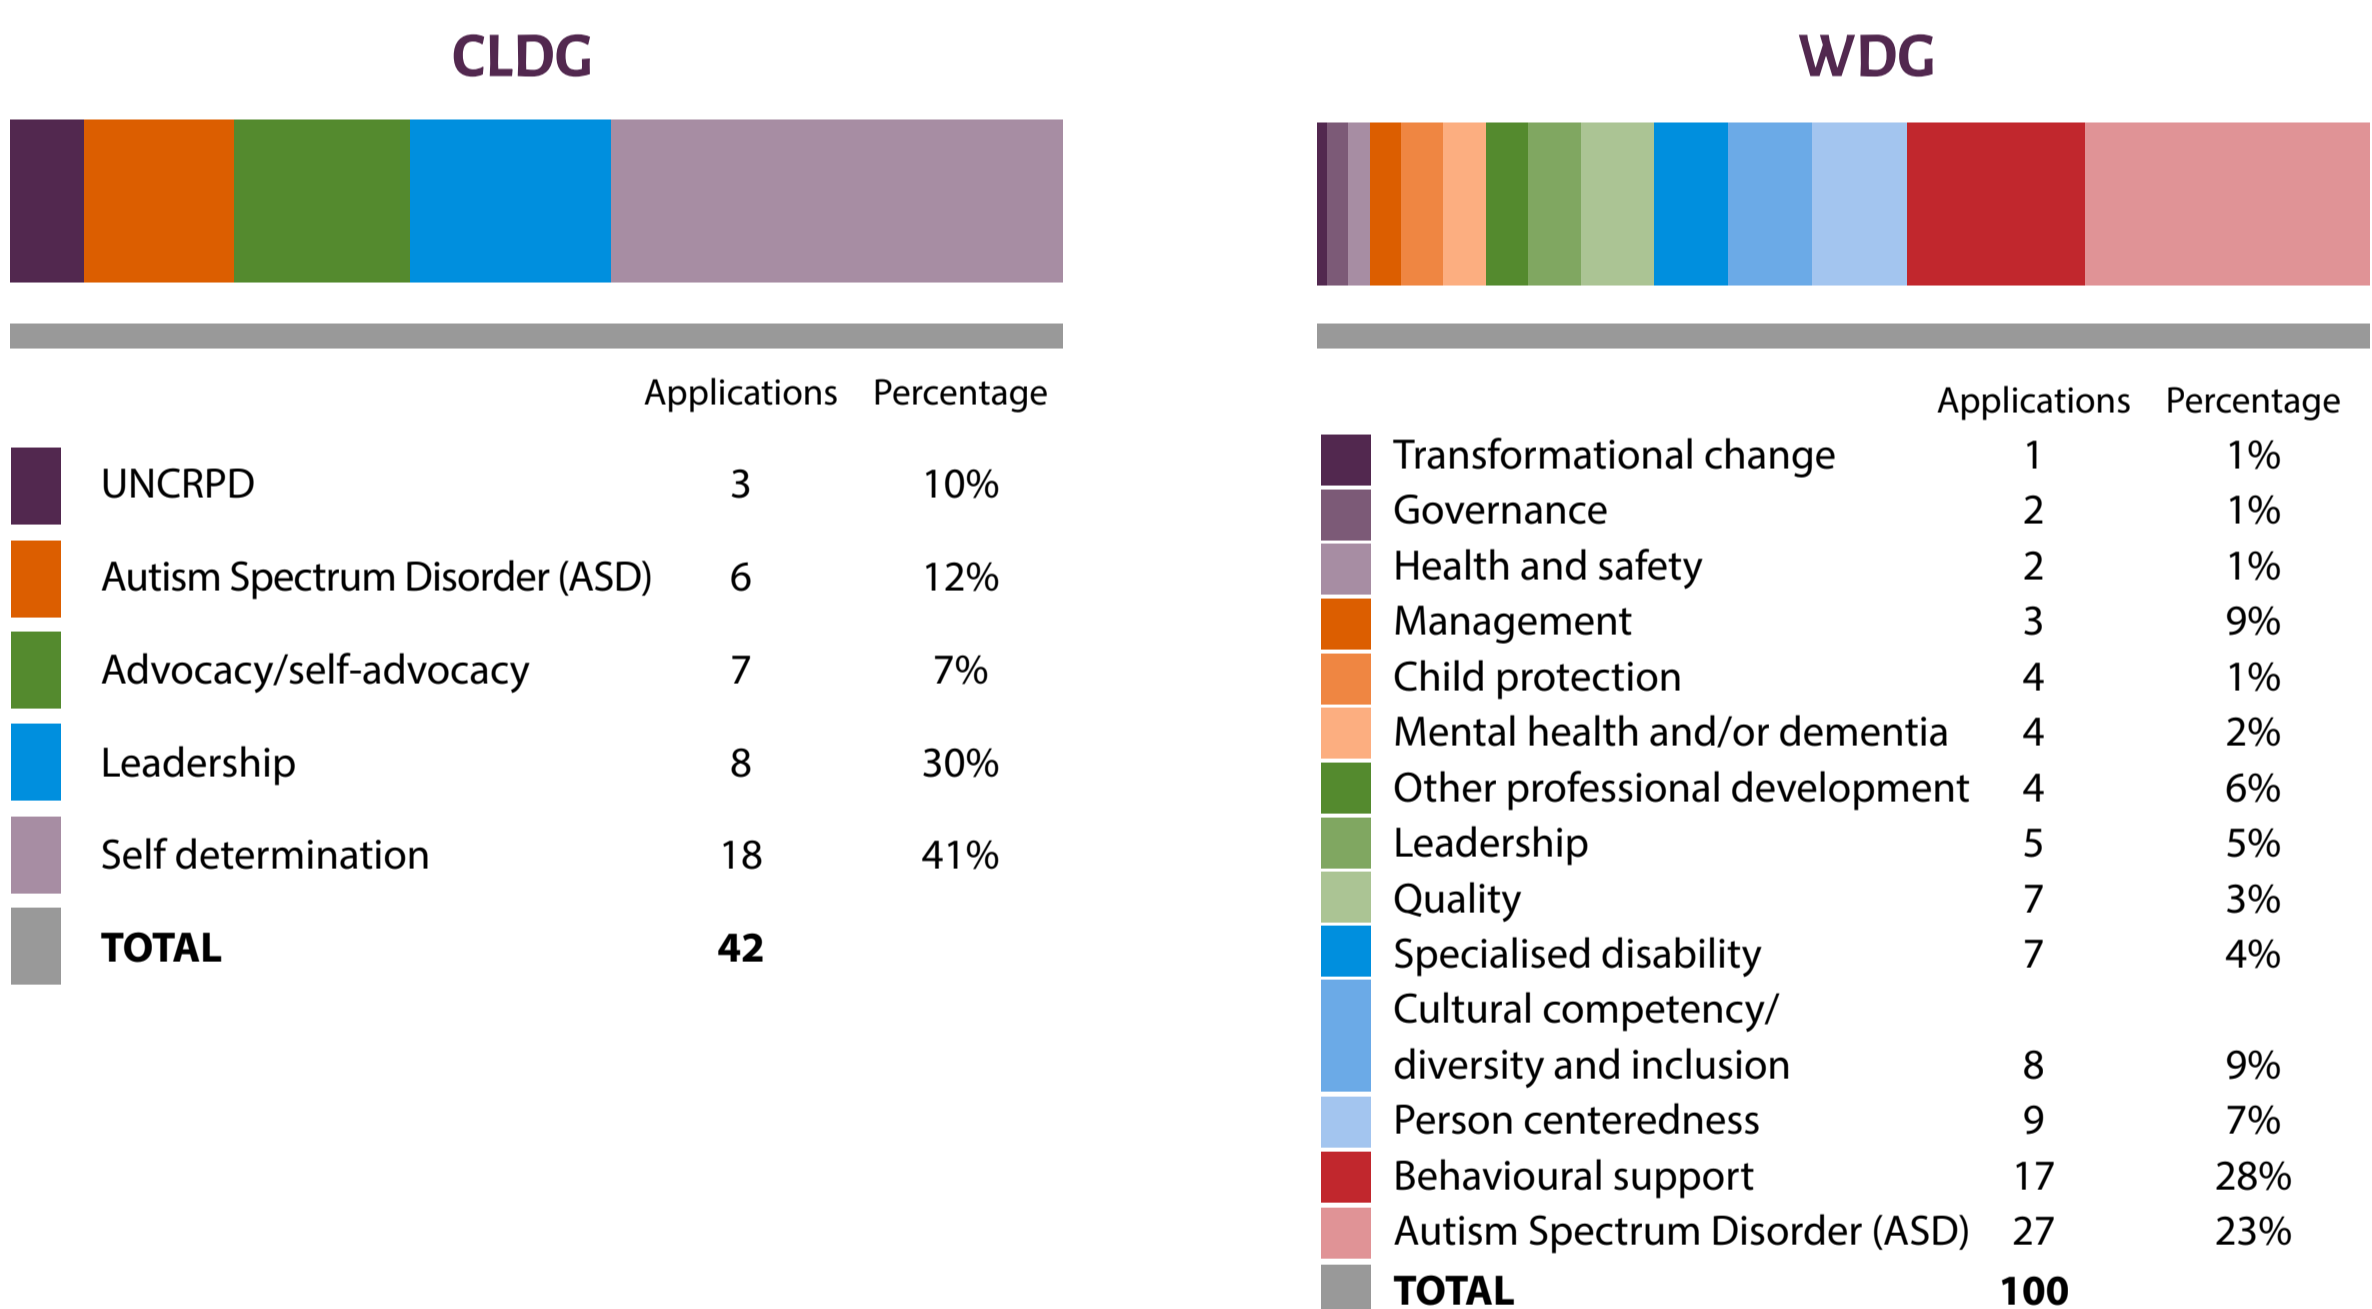

Here's how the grants were allocated across New Zealand.

The grants were distributed across each region in the following way:

Learning activities funded and the percentage of funding allocated

Individualised funding access

8 Individualised Funding (IF) applications were successful for a total of 16 participants.
