

# Team type classification

## Please note

- these are coded in order
- inpatient and community teams which service child and youth or older people or Māori and Pacific will be coded accordingly.

| Order | Team type                                      | How it is defined              | Included in outcome completion <sup>1</sup> |
|-------|--|--------------------------------|---|
| 1     | Alcohol and drug team                          | Team type code = 03            | No  |
| 2     | Co-existing problem team                       | Team type code = 11            | No  |
| 3     | Eating disorders team                          | Team type code = 16            | Yes   |
| 4     | Forensic team                                  | Team type code = 05            | Yes   |
| 5     | Residential/accommodation team                 | Team type code = 08            | Yes   |
| 6     | Intellectual disability dual diagnosis team    | Team type code = 12            | Yes   |
| 7     | Specialty team                                 | Team type code = 14            | Yes   |
| 8     | Maternal mental health team                    | Team type code = 15            | Yes   |
